

Target Market Determination

for Lender Paid Lenders Mortgage Insurance (LMI) Product - Professional Worker

This Target Market Determination (**TMD**), which is required by law, is to make sure that our consumers' objectives and needs are considered when designing and distributing our credit products. This TMD describes the type of consumers that our product is targeted at (the **Target Market**) and any conditions around how we allow the product to be distributed to our consumers (**Distribution Conditions**). We have also included the events or circumstances that will cause us to review this TMD and ensure that it is still appropriate for our product (**Review Triggers**).

IMPORTANT: This TMD is general in nature and should not be construed as or used to substitute for professional financial or legal advice. It is important to understand that this TMD does not consider the specific objectives, financial situation, or needs of any consumer on an individual level. If you are considering acquiring the product(s) referred to in this TMD, to ensure that these product(s) align with your unique personal and financial circumstances, we strongly recommend that you carefully review the product(s) relevant terms and conditions and credit guide and seek independent financial or legal advice before making any decision.

Target Market

We have undertaken an assessment of the product and are of the view that the product attributes are likely to be consistent with the objectives and needs of the Target Market.

Product designed for consumers who:	Key Product attributes appropriate for Target Market
- Seeking a home loan with a range of features including repayments that can vary over the life of the loan for any of the following purposes: - purchase of an established residential owner occupied property in category 1 and category 2 locations; or - purchase of an owner occupied house and land package.	- The home loan account has a variable interest rate meaning that repayments will vary based on changes to the interest rate. - The loan amount can be used for any one or more of the listed purposes. - Fees, charges, and third-party costs will be payable.

Customers who do not want to pay LMI and have a less than 20% deposit	Require the ability to borrow up to 95% of the value of the property without paying LMI, noting that LMI is payable by the Lender over 80% LVR.
Flexibility to make additional payments more than the required monthly repayment amount.	Unlimited additional repayments (including the ability to pay the loan out early) can be made without additional charge.
Access to a redraw facility.	The home loan account has a redraw facility which enables consumers to access additional repayments made over and above the minimum required repayments.
- Option to link an offset account for the purposes of reducing the amount of interest payable under the loan; - Option to link a Visa Debit Card (for Australian residents only).	- Credit balances in the offset account will reduce the balance on which interest is charged. - Customers can deposit, withdraw, or transact on the account via a broad range of channels by using: - Visa Debit Card (available for customers residing in Australia only); - online and mobile application access; - direct debit and BPAY repayment facility; - staff assisted channels; and - ATMs.
